#### Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 2:02PM on 7/29/2025. The inspector attempted to contact the licensee by calling, leaving a voicemail and texting, to which the licensee did reply. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
