ACCESS AND INSPECTION OF RECORDS AND PROPERTY; SUBMISSION OF ITINERARIES.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 1823 on 14-Sep-16. I went to the licensee's house and the gate to the driveway was closed and I was unable to pull up to the house. I contacted the licensee by phone. The voicemail had not been set up on the first number I called and I left a message on the second phone number I called. I honked my horn a half dozen times and then waited for 30 minutes. No one responded to my horn and I did not receive a phone call back. I left after waiting 30 minutes at the end of the driveway.

End of report.
