### 2.134(a)

#### Contingency planning.

The intermediate handler has not developed a written contingency plan. A written contingency plan is necessary to address the humane handling, treatment, transportation, housing and care of the animals in the event of an emergency or disaster which could reasonably be anticipated and expected to be detrimental to the health and well-being of the animals. The facility must develop a written contingency plan as outlined in Section 2.134 of the Animal Welfare Act and Animal Welfare Regulations. Correct by December 11, 2023

### 3.14(c)

#### Consignments to carriers and intermediate handlers.

Pierogi, Golden Retriever Mix Microchip ID: 992001001227042, was accepted for transport on September, 3, 2023 around 1:00pm by the consignor in TX. The intermediate handler did not obtain certification, in writing, that the dog was offered food at least 4 hours prior to transport. Intermediate Handlers must not accept a dog for transport in commerce without written certification that the dog was offered food during the 4 hours prior to delivery to the intermediate handler. Correct by November 15, 2023

This inspection and exit interview were conducted with the business owner.

Registrant was provided links to the AWA and advised to review transportation regulations for Part 3, Subparts A, B, C, F, and G.
