Site: 001
ROCKY HILL REINDEER

Type: ROUTINE INSPECTION
Date: 01-MAR-2023

2.126(a)(2)

Access and inspection of records and property; submission of itineraries.

***USDA Officials were unable to review records during inspection. Licensee stated the contingency plan was on his computer but the computer is down. There were no records of animals on hand, Program of Veterinary Care or animal dispositions available for review. Records shall be developed, maintained on hand and made available for review by USDA Officials during inspection. Correct by March 25, 2023

2.134

Contingency planning.

***There is no written contingency plan for emergencies. The licensee must must develop, document, and follow an appropriate plan to provide for the humane handling, treatment, transportation, housing, and care of their animals in the event of an emergency or disaster. The plan shall be made available for review during inspection. Correct by March 25, 2023.

3.125(a)

Repeat

Facilities, general.

***The large tree that fell on the fence along the right side of the back reindeer enclosure, previously cited, remains on the fence. The fence wire is compressed and bowed reducing the structural strength of the fence and the reindeer have
