2.31(c)

INSTITUTIONAL ANIMAL CARE AND USE COMMITTEE (IACUC).

IACUC functions. The IACUC did not review the research facility's program for humane care and use of animals, inspect all of the animal facilities, or prepare and submit reports of these evaluations to the Institutional Official (I.O.) at least once every six months. The last program review and facility inspection occurred on July 24, 2013. An evaluation of the research facility's animal use program and an inspection of all the animal facilities is necessary to ensure adherence to the Act. The results of these evaluations must be reported to the I.O. to keep them informed of the nature and extent of the facility's adherence to the Act. The IACUC shall review the facility's program for humane care and use of animals, inspect all the animal facilities, and prepare and submit reports of these evaluations to the I.O. at least once every six months.
