#### Miscellaneous.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 11:45am on 5/10/2024. The inspector attempted to contact the registrant by phone, email, and waited 30 minutes. Contact was made with a facility representative but an inspection could not be conducted that day. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.

This is the first attempted inspection.
