MILLERS KENNELS

Type: ATTEMPTED INSPECTION

Date: 10-MAY-2017

2.126(b)

ACCESS AND INSPECTION OF RECORDS AND PROPERTY; SUBMISSION OF ITINERARIES.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 1:00pm on 10-May-17.

No one was at the facility that could conduct an inspection. I reached the owner by phone when she returned my call and she advised she would not be home until late due to errands. I asked for days and times that would be better for inspections, and the licensee advised she was unable to provide any due to difficult schedules over the next 2 weeks, and that I would just have to try again at any time or date and she would try to be available.
