#### Attending veterinarian and adequate veterinary care (dealers and exhibitors).

The facility does not have a current formal arrangement with an Attending Veterinarian. While the facility does have informal arrangements with other veterinarians who provide care for the animals – the Program of Veterinary Care is signed by the former Attending Veterinarian who is stated to no longer serve this facility.

### 3.154

The facility does not have a written environmental enhancement plan for birds as is required by the AWA. An environmental enhancement plan must be developed, documented, and approved by the attending veterinarian to promote the health and psychological well-being of birds.

Correct by ensuring that a complete, documented plan for environmental enhancement - that addresses the required elements, and is approved by the attending veterinarian - is maintained and available for inspection. Correct by September 30, 2024.
