### 2.31(c)

#### INSTITUTIONAL ANIMAL CARE AND USE COMMITTEE (IACUC).

Program reviews and facility inspections have not occurred at least once every six months. The last meeting of the IACUC members was in June, 2013, and the facilities were reviewed in August, 2013. No report with a majority of IACUC signatures was made to the Institutional Official. Although no animal use has occurred since June, 2013 and the one protocol has not changed, the program reviews, facility inspections, and reports to the Institutional Official still have to be conducted at least once every six months. To be corrected by 5-30-14.

Exit briefing conducted with facility representative.
