3.1(b)

HOUSING FACILITIES, GENERAL.

Condition and Site. There is clutter including boxes, tools, bowls, buckets, and dust on top of enclosures on the right side in the whelping building. Animal areas inside of dog housing facilities must be kept neat and free of clutter. Storing items on tops of enclosures can make cleaning more difficult and allow dust and dirt to accumulate. Correct by ensuring that tops of enclosures are free of clutter, dust, and kept neat to maintain a level of general cleanliness to support good animal husbandry and health. Correct by March 14, 2020.

This inspection and exit interview were conducted with the owner.
