Requirements and application.

***A USDA APHIS Official conducted a search at Jayell Ranch on 02/15/23 and found the facility is exhibiting a Capuchin. The Owner of the property was not present but the attendant was able to contact the owner by phone. USDA spoke with the owner and reminded him that, as discussed previously, a USDA license is required to exhibit an exotic animal and he his continuing to conduct regulated activity without first obtaining a USDA license. USDA reminded the owner that the Capuchin should be removed from public exhibition until a license is obtained.

NO REGULATED ACTIVITY MAY BE CONDUCTED UNTIL A VALID USDA LICENSE IS OBTAINED.

This inspection and exit interview were conducted with the Attendant and the Owner.
