**Access and inspection of records and property; submission of itineraries.**

A responsible adult was not available to accompany APHIS Officials during the inspection process at 3:00 PM on 5/14/2025. The inspector attempted to contact the licensee by speaking to a family member who stated the licensee was not home and would not be back until late that evening. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
