Procurement of dogs, cats, and other animals; dealers.

Review of the September 2024 auction records shows that DW consigned and sold 10 female hedgehogs (cage tag numbers 2255, 2257, 2258, 2261, 2262, 2263, 2264, 2265 and 2266-2 females in cage) without a valid USDA license. During the same auction, SH consigned and sold 4 coatimundis (cage tag 2427 one female mountain coatimundi and cage tag 2428 with one male and 2 female white nose coatimundis) without a valid USDA license. Neither consignor held a current, valid USDA license under the Animal Welfare Act as required to sell these exotic animal species. No one time exemption was noted on file. The auction facility may not consign any animal from a person required to be licensed but who does not hold a current valid unsuspended license.

This inspection and exit interview were conducted with the licensee.
