This was a focused inspection on the animals only. The inspection was stopped early due to unforeseen issue.

No non-compliant items identified during this inspection.

Inspection and exit interview conducted with Licensee and Veterinary Medical Officer, Michael Neafsey.

The inspector completed this inspection report when Animal Care was transitioning to a new information management system. Because the inspector re-typed the inspection report into the new system when it was deployed, the "delivered by" date on this inspection report is different than the date the inspector delivered the original inspection report, which occurred on 23-August-2016.
