2.126(b) REPEAT

ACCESS AND INSPECTION OF RECORDS AND PROPERTY; SUBMISSION OF ITINERARIES.

Section 2.126(b) - Access and inspection of records and property: A responsible adult shall be made available to accompany APHIS officials during the inspection process.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 9:00 am on 11/20/2015.

A telephone call was made to the facility representative and I was informed that they didn't have any animals and they were planning to move to Saint Thomas, VI. I told them that they needed to cancel the PR license and request a new license in the new location because it was a different USA territory. They stated they would send an e mail to the office in NC next Monday, November 23, 2015 and will notify their plans and request a new application package.

An exit interview was conducted over the phone call.
