2.134(b)

Contingency planning.

Documented review of the contingency plan had not been performed since 2023. Annual review of the plan ensures that best practices continue to be followed, and any necessary updates are made to ensure that the facility is prepared for disasters. The documentation of the review ensures accountability. The facility must review the contingency plan and document their review on an ongoing annual basis.

Correct by 01/22/2025
