Environment enhancement to promote psychological well-being.

At the time of inspection, there was no documented program of environmental enhancement for the birds housed at the facility.

An adequate environmental enhancement program is essential in promoting the psychological well-being of birds.

Dealers, Exhibitors, and research facilities must develop, document, and follow an appropriate plan for environment enhancement adequate to promote the psychological well-being of birds, it must be in accordance with the currently accepted professional standards and as directed by the attending veterinarian. To be corrected by the next relicense inspection.

This is a 1st Re-License Inspection for a Class "B" license. The inspection and exit briefing were conducted with the applicant.

All items must be in compliance within 2 more inspections or by July 07, 2025 or the applicant will forfeit the license fee and must wait 6 months to reapply. Please contact your inspector to schedule your next Re-License Inspection.

Regulated activity can continue under your existing USDA license until it expires.
