Environment enhancement to promote psychological well-being.

The facility has environmental enhancements in place for all of its birds. However, a documented plan, approved by the attending veterinarian, is not currently in place. The facility must document an environmental enhancement plan adequate to promote the psychological well-being of its birds. This plan is necessary to ensure that the birds present are being provided with environmental enhancements for their psychological needs.

Dealers, exhibitors, and research facilities must develop, document, and follow a species-appropriate plan for environment enhancement adequate to promote the psychological well-being of birds. The plan must be approved by the attending veterinarian and must be in accordance with the regulations in this subpart and with currently accepted professional standards as cited in appropriate professional journals or reference guides.

TO BE CORRECTED BY: APRIL 16, 2024.

This inspection and exit briefing were conducted with the licensee.
