OEYAMA MOTO CANCER RESEARCH FOUNDATION

Type: ROUTINE INSPECTION
Date: 09-NOV-2016

2.30(a)(1) CRITICAL

REGISTRATION.

The facility is not registered to conduct research on covered species. The facility representative stated that the facility had conducted research on rabbits in the past but they were no longer at the facility. During the visit to the facility, dogs were heard barking in the back area but Animal Care was not given permission by the facility to observe the dogs. A representative of Los Angeles County Animal Control conducted an inspection. The facility representative was informed by USDA Animal Care that the facility may not conduct covered activity on covered species per the Animal Welfare Act. They were provided with contact information for registration.

Registration is required so that regulatory oversight, including scheduling of inspections, can be maintained to assure compliance with the Animal Welfare Act.

Correct prior to any covered activity.

This inspection and exit interview were conducted with the facility representative.
