Site: 001
MERVIN STOLTZFOOS

Type: ROUTINE INSPECTION
Date: 30-AUG-2021

3.25(a)

Facilities, general.

During the inspection, there was one guinea pig observed outside of its enclosure and running around on the floor of the facility.

Guinea pigs that have escaped their enclosure could be at risk of injury or escape from the barn as well as the inability to access food and water.

The licensee must ensure that the enclosure contains the animals at all times and does not allow them to escape.

Housing facilities must be adequate to protect the animals from injury and to contain the animals.

Correct by: September 3, 2021

This inspection was conducted with the facility representative and the exit interview was conducted with the licensee.
