2.40(a)(1)

ATTENDING VETERINARIAN AND ADEQUATE VETERINARY CARE (DEALERS AND EXHIBITORS).

The attending veterinarian has recently made a premise visit and the signature page of the written program of vet care was available for review . However, there is no written program of vet care available at the time of the inspection. The written program of veterinary care should contain any recommended treatments/vaccinations for the animals and must be followed to ensure that adequate veterinary care is provided to the animals. The written program of veterinary care must be completed and signed by the attending veterinarian and made available to USDA at time of the inspection.

CORRECT BY : 9-5-14

3.27(b)

FACILITIES, OUTDOOR.

The 3 remaining female guinea pigs are housed in a hutch located in a protected area with a fan but they are not housed inside a building . Guinea pigs shall not be housed in outdoor facilities unless the facilities are located in an appropriate climate and prior approval is obtained from the Deputy Administrator .

A letter requesting a variance for outdoor housing for guinea pigs may be sent to the Western Regional Office. The letter should describe the enclosure, location and climate . Additional information such as photos of the housing area may be included and useful in determining if a variance is granted .
