WILLIAM KEITH ALLEN

Type: ROUTINE INSPECTION
Date: 20-AUG-2015

2.75(a)(1) REPEAT

RECORDS: DEALERS AND EXHIBITORS.

** There were no records documenting the disposition of the male giraffe. The exhibitor shall make, keep and maintain records or forms which correctly disclose the information of these animals. Correct by August 9, 2014.

2.131(c)(1)

HANDLING OF ANIMALS.

** The prairie dog's exhibit allows the public to touch the animals through the wire mesh top. The owner also stated that the prairie dogs can jump and grab the wire. For the safety of the animal and the public there needs to be a public barrier to prevent them from putting their fingers through the wire. During public exhibition, any animal must be handled so there is minimal risk of harm to the animal and to the public, with sufficient distance and/or barriers between the animal and the general viewing public so as to assure the safety of animals and the public. Correct by September 3, 2015

3.81

ENVIRONMENT ENHANCEMENT TO PROMOTE PSYCHOLOGICAL WELL-BEING.

** The facility has not developed an appropriate plan for environment enhancement for the baboon and lemurs. The exhibitors must develop, document, and follow an appropriate plan for environment enhancement adequate to promote the psychological well-being of nonhuman primates. The plan must be in accordance with the currently accepted professional standards as cited in appropriate professional journals or reference guides, and as directed by the attending veterinarian. This plan must be made available to APHIS upon request. Correct by August 27, 2015

3.127(d)

FACILITIES, OUTDOOR.

** The perimeter fence that borders the giraffe barn has areas where outside animals can gain access to the park. The perimeter fence consists of dead pine trees on the bottom third and cow panel on the top two-thirds. In some areas there is a clearing between the pine trees and the cow panels that needs to be sealed to keep predators out of the park for the safety of the animals. The fence must be constructed so that it protects the animals by restricting
