### 2.75(b)(1)

#### Records: Dealers and exhibitors.

There were no sale records available for review. Failure to keep and maintain sale records can make it difficult to keep track of animal being used in regulated activities to ensure their humane care and use. The licensee must maintain records which fully and correctly disclose the date of sale, the number of guinea pigs sold, and the name and address of the buyer. Correct by October 7, 2022.

This inspection was conducted with a family member and exit interview was conducted with the licensee.
