2.126(b) REPEAT

ACCESS AND INSPECTION OF RECORDS AND PROPERTY; SUBMISSION OF ITINERARIES.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 1600 on 27-Jun-17. I went to the facility. I spoke to a facility representative and was informed that no one was available to take me through for inspection. I received the optimal hours for the facility and told the representative that I would try again another day.

End of report.
