2.35(f)

Recordkeeping requirements.

Records of the IACUC meeting minutes and semiannual reports to the IO from the previous year were located off site and not available for review at the time of inspection. Inspection of these records is necessary for evaluation of compliance under the AWA. Per this section, all required records must be available for inspection by authorized APHIS representatives.

To be corrected by March 1st, 2023.

2.36(a)

Annual report.

The facility's annual report for fiscal year 2022, due to the Deputy Administrator on or before December 1st, 2022, was submitted on January 9th, 2023. Timely submission of the annual report is essential to assure that professionally acceptable standards governing the care and use of animals were followed during the previous fiscal year. Per this section of the regulations, each reporting facility shall submit an annual report, covering the use of live animals in the previous fiscal year, on or before December 1st of each calendar year.

To be corrected from this point forward.

This inspection and exit interview were conducted with facility representatives.
