### 2.126(b)

#### Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 8:20 am on 2/27/2025. The inspector attempted to contact the licensee/registrant by knocking on the kennel door, knocking on the house door, honking the horn, calling the licensee's phone number and leaving a message, and by calling the given facility representative who was not available to facilitate an inspection. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
