### 2.126(b)

#### Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 10:30 am on August 21, 2024. The inspector contacted the licensee by phone upon arrival at the facility, but licensee stated that she was at an event today and not available for inspection.

Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
