2.31(d)(5)

INSTITUTIONAL ANIMAL CARE AND USE COMMITTEE (IACUC).

Documentation of required annual review of active protocols could not be located. The IACUC protocol review is essential to assuring that proper, current methodology is used in animal research.

Facility must document at least annual review of approved protocols.
Correct from this date forward.

2.35(a)

RECORDKEEPING REQUIREMENTS.

Recent IACUC meeting minutes were incomplete or unavailable for examination. No records for proposed animal use activities could be located. The ability to review required records assures that animal activities have documented IACUC approval and that animals will receive appropriate care during use.

Facility must maintain up-to-date IACUC meeting minutes and animal use activity records that reflect proposed animal activity use.
Correct from this day forward.

2.38(b)(1)(2)

MISCELLANEOUS.

Each research facility shall, during business hours, allow APHIS officials to examine records required to be kept by the Act and the regulations in this part.

Animal use records required to be kept were not available during inspection. The ability to review medical and acquisition/disposition records assures that animals utilized by this facility receive appropriate veterinary care and are documented properly.
