### 2.40(a)(1)

#### **Attending veterinarian and adequate veterinary care (dealers and exhibitors).**

The part time veterinarian had not been to the facility in over a year, and the written program of veterinary care needs to be updated. The facility should ensure that the attending veterinarian makes regularly scheduled visits to the facility and a written program of veterinary care is current to ensure that the facility understands the expectations of the attending veterinarian in regards to the veterinary care of regulated animals. The facility should ensure that the written program of veterinary care is completed by the attending veterinarian and is available for review during USDA inspections.

Correct before 2nd Re-License inspection.

This is a 1st Relicense Inspection for a Class "C" license. The inspection and exit briefing were conducted with the Applicant. All items must be in compliance within 2 more inspections or by license expiration date or the applicant will forfeit the license fee and must wait 6 months to reapply. The next relicense inspection has been scheduled.

Regulated activity can continue under your existing USDA license until it expires.
