2.126(b)

Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 11:30 am on 10/24/2024. The inspector attempted to contact the licensee through a facility employee that called the licensee. The licensee indicated there was no one available to facilitate a tour of the facility for the inspection and made aware a citation would be issued as a result. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
