2.31(c)

Institutional Animal Care and Use Committee (IACUC).

The facility's Institutional Animal Care and Use Committee (IACUC) has not performed its functions including reviewing the facility's program for humane care and use of animals, inspection of the animal facilities, and submitting reports to the Institutional Official at least once every six months as required. The facility's last IACUC review/inspection was conducted on 27 October 2020. These IACUC functions are necessary to ensure oversight of the care and use of animals involved in research activity. Schedule and perform the review of the research facility's program for humane care and use of animals, the facility inspection, and report the findings to the Institutional Official at least once every six months. Correct by 31 January 2022.

This inspection and exit interview were conducted with IACUC Chair and Attending Veterinarian.

End of report.
