### 2.126(b)

#### Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 11:50 AM on 9/10/2024. The inspector attempted to contact the licensee by ringing doorbell, knocking on business door, calling business phone and cell phone, and leaving a message on both phones. Waited for 30 minutes for the licensee to call or show up. Called licensee again after waiting 30 minutes and left a message on both phones for the licensee to call me as soon as possible. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
