### 2.126(b)

#### Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany the APHIS Official during the inspection process at 11:40am on Tuesday, April 22, 2025. The inspector attempted to contact the licensee by knocking on the door and calling the phone number listed on the account. A message was left. The inspector then waited approximately 45 minutes before leaving. Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
