2.31(b)(3)(i)

Institutional Animal Care and Use Committee (IACUC).

The full time attending veterinarian (AV) stepped down from their position as of 1 July, 2023. On inspection, there was no record that an AV has been appointed to the Institutional Animal Care & Use Committee (IACUC) as required by the regulations. The facility has not had an AV with training and experience in laboratory animal science and medicine, who has direct or delegated program responsibility for activities involving animals at the research facility since July, 2023. A veterinarian shall be appointed to the IACUC by the Chief Executive Officer of the research facility and is an integral part of the IACUC. If a part time or consulting AV is utilized, the formal arrangements shall include a written program of veterinary care. At the time of inspection, all facility owned animals had been placed with new owners and were no longer being used for regulated activity.

Correct before the start of the next academic term: 10 January, 2024

This inspection and exit interview were conducted with facility representatives.
