#### Environment enhancement to promote psychological well-being.

While the facility provides enrichment for birds, there is no written plan enrichment plan for birds. A written enrichment plan for birds is required to ensure that birds are being provided with adequate and appropriate enrichment. Correct by April 1, 2024 by documenting an enrichment plan for birds that is approved by the Attending Veterinarian and addresses the birds' physical environment, social needs, and special considerations for young birds, social species of birds housed alone, and birds showing signs of psychological distress.

This inspection and exit interview were conducted with the owner.
