### 2.126(a)(2)

#### Access and inspection of records and property; submission of itineraries.

The following required records were not available at time of inspection: The written contingency plan, and the record of animals on hand. These documents, along with the written Program of Veterinary Care and water quality and feeding records, must be readily available for review at time of inspection as these are records required to be kept the Animal Welfare Act and the regulations in this part.

To be corrected by November 8, 2023

This inspection and exit interview were conducted with the Director of Engineering.
