Date: 09-MAR-2021

2.75(b)(1)

Repeat

Records: Dealers and exhibitors.

The licensee had one coyote at last full inspection dated March 4, 2020. The licensee presented two separate documents, with two separate dates that showed a single coyote died on each document. There is no acquisition document for the second coyote death. The licensee had 9 wolf hybrids at the last full inspection. The licensee has disposition records for 4 wolf hybrids, and has two wolf hybrids on hand. There is no record of disposition for the remaining 3 wolf hybrids. The licensee has 2 labrador retriever puppies at the last full inspection. There are no labrador retriever puppies present at this inspection. There is no record of disposition for these two labrador retriever puppies. The licensee had a total of 5 fox at the time of the last full inspection. The licensee presented disposition records for 4 fox. There are no fox present at the facility. There is no record of disposition for the fifth fox.

Every exhibitor shall make, keep, and maintain records or forms which fully and correctly disclose the following information concerning animals other than dogs and cats, purchased or otherwise acquired, owned, held, leased, or otherwise in his or her possession or under his or her control, or which is transported, sold, euthanized, or otherwise disposed of by that dealer or exhibitor. The records shall include any offspring born of any animal while in his or her possession or under his or her control.

Inspection Report

Records must be kept on hand to be reviewed at time of inspection. These records must include all animal acquisitions, and dispositions. A record of animals on hand must also be available. These records must also include animals born at the facility, animals euthanized or animals that have died at the facility. Records must be kept to ensure all facilities and individuals that are required to have a license are licensed, and to trace and track animal movement in the case of animal disease outbreak.

This inspection and exit interview were conducted with the licensee.
