Type: ROUTINE INSPECTION
Date: 29-OCT-2024

2.76(a)(2)

Records: Operators of auction sales and brokers.

No records were available that provided disposition information including the name and address of the buyer for all the animals that were recently sold. The licensee informed the inspector that all the animals (hedgehogs and tenrec) have been sold and they are no longer conducting regulated business. Per this regulation, brokers must maintain records which fully disclose information concerning each animal sold whether or not there is a commission fee charged.
