A & H Farm
1374 Collins Lane
Manhattan, KS 66502

Customer ID: **6020555**

Certificate:

Site: 001

A & H Farm

Type: ROUTINE INSPECTION

Date: 05-AUG-2024

2.1(a)(1)

Requirements and application.

No regulated activities may be conducted until a USDA license/registration is obtained.

The facility is conducting regulated activity without a license from USDA APHIS Animal Care under the Animal Welfare Act (AWA). On August 5, 2024, a search was conducted by a USDA inspector at A & H Farms. The owner of this facility stated they operate a petting zoo that the public is allowed access to with a paid admission. The following animals were being exhibited by the facility at the time of this search: zebu (3), budgies (200), peafowl (2), geese (2), donkeys (6), rabbits (10), horses (3), guinea Pigs (25), goats (28), ducks (10), and chickens (25). Exhibiting a combination of these species in these numbers is an activity that required a license under the AWA.

The facility previously had a courtesy visit from an USDA inspector on August 9, 2023 and was informed at that time of the requirements for needing a USDA license under the AWA. An application for licensure was received by USDA APHIS Animal Care on February 21, 2024. In preparation for licensing, a pre-license phone call on March 15, 2024 was conducted with the applicant, during which requirements for licensing and compliance with the AWA were reviewed. The applicant did not move forward with the application process by contacting the inspector to schedule the pre-license inspections as is required for licensure and is still conducting regulated activity without a license.

Conducting regulated activity without a USDA license does not comply with the Animal Welfare Act or ensure that APHIS officials can assess the care of the animals. Continuing to conduct regulated activity without a license is a serious violation of the Animal Welfare Act. No regulated activities may be conducted until a USDA license/registration is obtained.

This inspection and exit interview were conducted with the applicant.
