### 2.126(b)

#### ACCESS AND INSPECTION OF RECORDS AND PROPERTY; SUBMISSION OF ITINERARIES.

A responsible adult was not available to accompany APHIS Officials during the inspection process at 2:30 pm on 01/11/2016.

I knocked on the door at the residence on the property and no one was home. A message was left on the voice mail of the licensee that I was there to conduct an inspection if they were in the area. There was no return call and after 30 minutes I left the property.

I left a message to contact me if there were better days or times to conduct inspections as their schedules may have changed since last year.
