D&M Minis and Exotics

Type: FOCUSED INSPECTION

Date: 04-APR-2024

2.1(a)(1)

Requirements and application.

This was a search inspection. The facility is conducting regulated activity without a license. The facebook page for the facility posts videos of public contact with the animals. The facility representative stated that they book events and allow public interaction with the animals.

Conducting regulated activity without a USDA license does not comply with the Animal Welfare Act or ensure that APHIS officials can assess the care of the animals. The facility must either cease regulated activity or obtain a license from the USDA to continue conducting regulated activity under the Animal Welfare Act.

No regulated activity may be conducted until USDA license is obtained.

This inspection and exit interview were conducted with a facility representative.

This inspection and exit interview were conducted with facility representative.
