#### Attending veterinarian and adequate veterinary care (dealers and exhibitors).

No written Program of Veterinary Care (PVC) was available during this inspection until the inspector contacted the AV by phone. A copy of a 2018 PVC was provided by email. The 2018 PVC does not accurately reflect the species present during this inspection. The PVC includes species no longer held by the exhibitor (sugar glider, possum) and does not document all current species (rabbits). The AV has not been to the facility since October 2020 and the PVC has not been updated since 2018. Each exhibitor shall employ an AV under formal arrangements. In the case of a part-time AV, the formal arrangements shall include a written program of veterinary care and regularly scheduled visits to the premises of the exhibitor.

### 2.40(a)(2)

#### Attending veterinarian and adequate veterinary care (dealers and exhibitors).

The hedgehog was treated at the AV's hospital on 12/20/2021 for mites and hypothermia. The AV instructed the facility to add a heat lamp at night to maintain an enclosure temperature of at least 75 degrees. No heat lamp and no method of monitoring temperatures have been implemented to date. Not following the instructions of the AV can lead to detrimental effects to the animal. Per the regulations, each exhibitor shall assure that the attending veterinarian has appropriate

#### Records: Dealers and exhibitors.

No records of acquisition, disposition, or animals on-hand were available for inspection. Acquisition information for 2 rabbits, 1 hedgehog and 1 chinchilla was not available. Per the regulations, every exhibitor shall make, keep, and maintain adequate records or forms which fully and correctly disclose the required, detailed information in this section concerning animals purchased or otherwise acquired, held, leased, or otherwise in his or her possession or under his or her control, or which is transported, sold, euthanized or otherwise disposed of by that dealer or exhibitor.

This inspection and exit interview were conducted with the facility representative.
