The dog was shot by the licensee between approximately 1:30 pm-8:00 pm on May 12, 2015. The licensee stated his girlfriend held the dog on the ground while he shot the dog one time in the back of the head. The licensee stated a dirt hole was dug in a field that is adjacent to the west side of the property. The licensee also stated the deceased dog was placed in the hole and covered with dirt.
