2.134(a)

Contingency planning.

The facility has not developed a written plan to provide humane care for handling animals in the event of an emergency or disaster.

Correct by developing and maintaining a written plan to provide guidance for the appropriate care of animals during emergencies that could reasonably be anticipated. The plan shall address specific tasks required to be carried out in response to the identified emergencies, personnel responsible for the actions to be taken, chain of command, etc., as required in Section 2.134 of the animal welfare regulations.

Correct by July 15, 2023.

This inspection and exit interview were conducted with the licensee.
