#### Access and inspection of records and property; submission of itineraries.

A responsible adult was not available to accompany an APHIS Official during the inspection process at 11:15 am to 11:45 am on August 5, 2024. The inspector attempted to contact the licensee by phone leaving a message, rang front door bell, and waited 30 minutes.

Failure to provide access to the facility, animals, and records for inspection is a serious violation of the AWA and regulations. Failure to comply may result in enforcement action.
