ATTENDING VETERINARIAN AND ADEQUATE VETERINARY CARE (DEALERS AND EXHIBITORS).

** The written program of veterinary care could not be located at the time of the inspection. Without a written program of veterinary care it can not be verified that the facility has formal arrangements with an attending veterinary care and that the animals at the facility are receiving proper veterinary care. The facility must locate the program of veterinary care or fill out a new program that accurately reflects what veterinary practices are being conducted at the facility. All dealers must have formal arrangements with an attending veterinarian to include a written program of veterinary and regular visits to the facility by the attending veterinarian. To be corrected by: 04-30-14.

This inspection and exit briefing conducted with the facility representative.
