**Access and inspection of records and property; submission of itineraries.**

An authorized person was not available to accompany USDA officials for an unannounced inspection at 5:05 pm on March 23, 2023. We called the main facility contact person, leaving a voicemail message at 5:09pm and then 5:22PM. We knocked on the doors of two residences at the addresses but persons at each door indicated they were not the licensee. We waited at the property until 5:40pm.

Additional Inspectors:

SCOTT WELCH, VETERINARY MEDICAL OFFICER
