#### Handling.

On September 29, 2023, approximately 29 cats arrived at John F Kennedy International Airport (Queens, New York) from Cairo International Airport (Cairo, Egypt) on flight MS985 (AWB# 077-51046026-A).

The cat carriers were left out in rain while unloading on in the passenger terminal. The intermediate handler received the carriers, which the agent informed the on duty supervisor were wet and uncovered.

Sufficient protection must be provided to allow the cats to remain dry during rain, snow, and other precipitation.

This inspection was conducted with cargo facility representatives. The exit interview was conducted with airline representatives.
