3.75(c)(1)

HOUSING FACILITIES, GENERAL.

The floor paint in the shelter area is chipping away and it increases the porosity of the floor and makes it difficult to clean properly.

The surfaces of housing facilities must be constructed in a manner and made of materials that allow them to be readily cleaned and sanitized, or removed or replaced when worn.

To be corrected by 3-15-2016.

An exit interview was conducted with the facility representative.
