KIRILL & OLGA KARIMOV

Type: ROUTINE INSPECTION

Date: 18-AUG-2021

2.126(a)(2)

Access and inspection of records and property; submission of itineraries.

At the time of inspection the principal owner was not available, therefore the records for acquisition and disposition of animals as well as the program of veterinary care could not be reviewed.

Licensee needs to establish a system whereby records can be reviewed in his absence in order to insure compliance with the regulations.

Correct from this day 818/2021

This inspection and exit interview were conducted with the facility representative
